

# *The Swainsboro Kiwanian*

**July 15, 2008**

On this election evening, Vice President Bobby Seamans called the meeting to order at 7:00. Tobe Karrh led the Pledge of Allegiance, and Chip Durden offered the invocation.

We were pleased to have Jean Weise with us as our guest at the meeting.

I understand that Jim Hendrickson will be having hip replacement surgery in the near future, and we certainly want to keep him in our thoughts and prayers during this time.

## **Sports**

Tobe Karrh again brought us up to date in the sports world. Kenny Perry won the John Deere Classic. Paula Creamer won the Owens Corning 6, and Graham McDowell won the Scottish Open. It was also reported that the Atlanta Braves beat the San Diego Padres both Saturday and Sunday this past weekend. As always, there will be more sports next week.

## **Court**

I was not present Tuesday evening, but according to reports that I received, there was no court action. I assume that everything was in order.

## **Announcements**

By the time you read this, our Board of Directors will have had their meeting at the home of L.H. and Jean Weise. Stay tuned.

I understand that Chip Durden is planning something for the club one Saturday evening in the near future. Again, stay tuned, and you'll read about it in your club bulletin.

Chip, along with Dwight Watt and Lee Grier had the pleasure of attending the Kiwanis International Convention in Orlando, Florida.

# Program

David Bartram introduced Karen Jones, Director of Admissions at East Georgia College. Karen brought us information about the new Bachelor of Science in Business Administration program, a four year degree that will be offered on the campus of East Georgia College in cooperation with Georgia Southwestern University. The degree is designed to provide a foundation that its graduates will need for a career in the competitive world of business. Upon completion of the program, students will receive the Bachelor of Science degree in Business Administration from Georgia Southwestern University as well as an Associate in Arts degree in Business Administration and Economics from East Georgia College.

The program will be delivered through a combination of online courses and traditional classroom lectures delivered on the East Georgia College campus through interactive video. This should make the program convenient and accessible for any interested student.

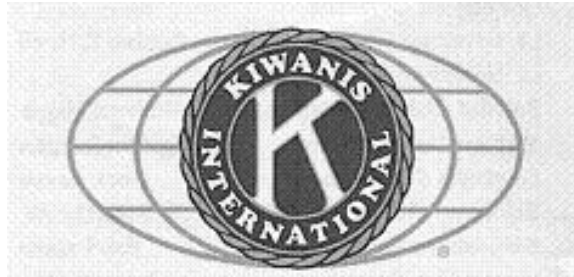

For the first two years of the program, the student will be enrolled as an East Georgia College student and will complete courses in humanities, mathematics, and science that are required for the Associate degree in Business Administration. Upon completion of this portion of the program, a student will be able to complete the remainder of the program on the EGC campus and from their home computer.

If you know someone who might be interested in this program, they can contact David Gribbin, Program Director, Karen Jones, Director of Admissions, or David Bartram, Chair of the Division, all at East Georgia College.

Thanks to David Bartram for arranging the program and also to Karen for bringing us information about this new opportunity that is available in Swainsboro through East Georgia College.

## Door Prizes

The cake was a pound cake and was won by our speaker, Karen Jones. Charles Brewer won the Domino's Pizza, provided by Chris Cann. Jason Johnson and Chip Durden won the takeout meals.
